I. INTRODUCTION

A. PURPOSE OF THIS REQUEST FOR PROPOSALS

This RFP is being issued to hire one or more contractors to provide Safe Exchange & Supervised Visitation services in the 11th Judicial District (San Juan County) pursuant to NMSA Section 40-12-5.1.

The contract will be for an initial one-year period with an option to renew each year after the first year for no more than three additional years at the discretion of the Judicial District and the Administrative Office of the Courts (AOC). Continuation of the contract for each additional year will be contingent upon satisfactory contract compliance by the contractor as determined by the Judicial District and the AOC and upon sufficient funding.

This Request for Proposals (RFP) has been developed for the purpose of soliciting, evaluating, and selecting proposals in a fair and competitive manner. If an Offeror fails to meet any mandatory items set forth in this RFP, the proposal will be declared non-responsive.

All costs incurred by the Offeror in the preparation, transmittal, or presentation of any proposal or material submitted in response to this RFP shall be borne solely by the Offeror, whether or not the Offeror is a successful Offeror.

Before the award is made, the Judicial District and the AOC may conduct discussions with Offerors who submit proposals that are determined to be reasonably expected to be selected for awards, but the award(s) may be made without such discussions.

When it is in the best interests of the State of New Mexico, the RFP may be canceled, and any and all proposals may be rejected in whole or in part.

Any contract awarded as a result of this RFP process may be terminated or reduced in scope if sufficient appropriations or authorizations do not exist. Such termination will be effected by the AOC sending written notice to the contractor. The AOC's decision as to whether sufficient appropriations and authorizations are available will be accepted by the contractor as final.

If the determination is made that there is insufficient funding to continue or finalize a program, the contractor will be compensated to the level of services performed, as authorized by the Judicial District and the AOC prior to that determination. This provision, however, is not exclusive and does not waive other legal rights and remedies afforded the AOC in such circumstances as the contractor defaults or breach of the contract.

Any protests of the award must be made in accordance with the Procurement Code, NMSA 1978, Section 13-1-1 to Section 13-1-199.

B. VISION AND MISSION

Children residing in the State of New Mexico will be able to have safe and conflict-free relationships with their parents and family. The Safe Exchange & Supervised Visitation (SESV) program will offer safe and nurturing environments in which to monitor visits and exchanges between children, their parents and other family members, as referred by the Courts.

C. SUMMARY OF SCOPE OF WORK

The Administrative Office of the Courts is soliciting proposals for one or more contractors to provide Safe Exchange & Supervised Visitation services in the 11th Judicial District (San Juan County) pursuant to NMSA Section 40-12-5.1.

According to the statute, a judicial district may create a Safe Exchange & Supervised visitation program by local court rule approved by the Supreme Court. “The program shall be used when, in the opinion of the court, the best interests of the child are served if confrontation or contact between the parents is to be avoided during exchanges of custody or if contact between a parent and a child should be supervised.” The District Court may employ one or more contractors for Safe Exchange & Supervised Visitation services by a person (1) with whom a child may be left by one parent for a short period while waiting to be picked up by the other parent; or (2) to supervise visits among one or both parents and the child.

D. SCOPE OF PROCUREMENT

The scope of this procurement includes professional services and related administrative tasks. The initial contract shall begin on or about July 1, 2019, and may extend through June 30, 2023. G. BACKGROUND INFORMATION

New Mexico has a unified court system composed of five types of courts: the Magistrate Court and Metropolitan Court are courts of limited jurisdiction; the District Court is a court of general jurisdiction; the Court of Appeals and Supreme Court have appellate jurisdiction. The Administrative Office of the Courts serves as the administrative arm of the Supreme Court, and provides administrative and technical assistance to all State courts. The director is assisted by personnel who specialize in the areas of special court services, personnel management, public information, planning, research, finance, internal audit, data processing, and general counsel.

The District Court, in addition to being the trial court of general jurisdiction, has appellate jurisdiction over all cases in inferior courts. It has exclusive jurisdiction in all matters involving domestic relations, domestic violence, juveniles, and all cases not excepted in the Constitution or by law. The state's thirty-three counties are divided into thirteen judicial districts, eleven of which are multi-county. Within these thirteen districts are thirty-three district court locations served by approximately ninety full-time judges.

Chapter 40 of the Domestic Relations Code, NMSA 1978, as amended, allows each judicial district to create a program for Safe Exchange & Supervised Visitation services as follows:

Section 40-12-5.1. SUPERVISED VISITATION PROGRAM.

A. A judicial district may establish a "Safe Exchange & Supervised visitation program" by local court rule approved by the supreme court. The Safe Exchange & Supervised visitation program shall be used when, in the opinion of the court, the best interests of the child are served if confrontation or contact between the parents is to be avoided during exchanges of custody or if contact between a parent and a child should be supervised. In a Safe Exchange & Supervised visitation program, the district court may employ or contract with a person:

- (1) with whom a child may be left by one parent for a short period while waiting to be picked up by the other parent; or
- (2) to supervise visits among one or both parents and the child.

B. A parent may request the services of the Safe Exchange & Supervised visitation program or the court may order that the program be used.

C. Parents shall pay the cost of the Safe Exchange & Supervised visitation program pursuant to a sliding fee scale approved by the supreme court. The sliding fee scale shall be based on ability to pay for the service. The fees shall be paid to the district court to be credited to the fund.

The Administrative Office of the Courts allocates legislative appropriations to support Safe Exchange & Supervised Visitation (SESV) programs in the First, Second, Third, Fourth, Fifth, Sixth, Eighth, Eleventh, and Thirteenth Judicial Districts. For Fiscal Year 2019, \$835,000.00 (eight hundred and thirty-five thousand dollars) in appropriated funding was set aside for local program operations by 13 providers in the judicial districts. Program funding is mainly allocated based on achievement of contractual performance targets in the previous year; thus, individual programs may receive more or less funding than in the prior year. For a *new* program, consideration will be given to an Offeror's ability to provide services, the term of the contract, and the potential caseload in the area.

In the past few years, the AOC has concentrated on the following program activities:

- Ensuring adequate appropriations from the New Mexico Legislature for Safe Exchange & Supervised Visitation programs across the state;
- Creating a structure of accountability for Safe Exchange & Supervised Visitation programs;
- Implementing the *New Mexico Court Standards for Safe Exchange & Supervised Visitation*, standards of practice to ensure the safety of children, and identifying methods to evaluate the performance of providers against the standards;
- Providing training and professional development for SESV service providers, including developing and updating a website;
- Evaluating the performance of the Safe Exchange & Supervised Visitation program in New Mexico;
- Implementing the *Best Practice Manual and Assessment Tool*;
- Operating a statewide data collection and reporting system that accurately reflects progress toward specific measurable outcomes for the program.

The Administrative Office of the Courts adopted the *New Mexico Court Standards for Safe Exchange & Supervised Visitation* revised on July 1, 2016. For a copy of the *Court Standards*, please see <https://safeexchange.nmcourts.gov/index.php/standards-of-practice.html>. The document establishes minimum standards of practice for the provision of Safe Exchange & Supervised Visitation services. Potential contractors must achieve and maintain compliance with the *Court Standards* by the effective date of the contract, unless otherwise negotiated by the AOC and District Court.

2. Acknowledgement of Receipt of Proposal

A potential Offeror should hand deliver or return by facsimile or by registered or certified mail the “Acknowledgement of Receipt of Request for Proposals Form” that accompanies this document (see Attachment A) to have his or her organization placed on the procurement distribution list. The form must be signed by an authorized representative of the organization, dated, and *returned to the AOC Procurement Manager* by 4:00 p.m. MDT on April 29, 2019.

Failure to return this form shall constitute a presumption of receipt and withdrawal from obtaining additional information on the procurement process. Thereafter, the Offeror will need to make a special request for any additional information on the RFP. The distribution list shall be used for the distribution of written responses to questions submitted and any RFP amendments issued.

3. Deadline to Submit Written Questions

Potential Offerors may submit written questions as to the intent or clarity of this RFP until 4:00 p.m. MDT on April 29, 2019. All written questions must be addressed to the Procurement Manager (see Section I, Paragraph E).

4. Response to Written Questions and RFP Amendments

Written responses to written questions and any RFP amendments shall be distributed on May 1, 2019, to any potential Offeror whose organization name appears on the procurement distribution list.

Additional written requests for clarification of distributed answers and amendments must be received by the Procurement Manager no later than three (3) days after any response and/or amendments are issued.

5. Submission of Proposal

ALL OFFEROR PROPOSALS MUST BE RECEIVED FOR REVIEW AND EVALUATION BY THE PROCUREMENT MANAGER OR DESIGNEE NO LATER THAN 4:00 P.M. MOUNTAIN DAYLIGHT TIME ON TUESDAY, MAY 7, 2019. Time is of the essence for submitting proposals; proposals received after this deadline will not be accepted. The date and time of receipt will be recorded on each proposal. Proposals must be addressed and delivered to the Procurement Manager at the address listed in Section I, Paragraph E. Proposals must be labeled on the outside of the package so as to indicate clearly that they are in response to the Safe Exchange & Supervised Visitation Services Request for Proposals. Proposals must be sealed. Any proposals or portions of proposals submitted by facsimile will not be accepted.

A public log will be kept of the names of all Offerors. Pursuant to Section 13-1-116, NMSA 1978, the contents of any proposal shall not be disclosed to competing Offerors prior to contract award.

6. Campaign Contribution Disclosure

By May 7, 2019, a potential Offeror must submit with his/her response to this proposal the “Campaign Contribution Disclosure Form” that accompanies this document. (See Attachment B)

Pursuant to NMSA 1978, § 13-1-191.1 (2006), any person seeking to enter into a contract with any state agency or local public body for professional services, a design and build project delivery system, or the design and installation of measures the primary purpose of which is to conserve natural resources must file this form (Attachment B) with that state agency or local public body. This form must be filed even if the contract qualifies as a small purchase or a sole source contract. The prospective contractor must disclose whether the prospective contractor, a family member, or a representative of the prospective contractor has made a campaign contribution to an applicable public official of the state or a local public body during the two years prior to the date on which the contractor submits a proposal or, in the case of a sole source or small purchase contract, the two years prior to the date the contractor signs the contract, if the aggregate total of contributions given by the prospective contractor, a family member, or a representative of the prospective contractor to the public official exceeds two hundred fifty dollars (\$250) over the two-year period.

7. Proposal Evaluation and Selection of Finalists

The evaluation of proposals will be conducted by an Evaluation Committee appointed by the AOC and the Thirteenth Judicial District. The committee will meet May 13-17, 2019. As the committee is reviewing the proposals received, the Procurement Manager may, at her option, initiate discussions with Offerors who submit responsive or potentially responsive proposals for the purpose of clarifying aspects of the proposals; but proposals may also be accepted and evaluated without such discussion. Discussions shall NOT be initiated by an Offeror. The Evaluation Committee will select the finalist Offerors.

8. Notification of Finalists

The Procurement Manager will notify the finalist Offerors on May 20, 2019. Only finalists will be invited to participate in the subsequent steps of the procurement.

9. Best and Final Offers from Finalists

Finalist Offerors may be asked to submit revisions to their proposals for the purpose of obtaining best and final offers. All written responses must be received by AOC no later than 4:00 p.m. MDT on May 22, 2019.

10. Finalize and Award Contract(s)

The contract(s) shall be finalized and awarded to the Offeror(s) whose proposal(s) is/are most advantageous on May 23, 2019. In the event that mutually agreeable terms cannot be reached within the timeframe specified, the AOC reserves the right to finalize a contract with the next most advantageous Offeror(s) without undertaking a new procurement process. The most advantageous proposal(s) may or may not have received the most points in the evaluation process. The award is subject to the appropriate State approvals. Award of the contract(s) will not vest any Offeror(s) with contract rights, and any contract(s) will not be binding until contract execution and approval. Award occurs at the time a contract mutually acceptable to the AOC, the 11th Judicial District, and the successful Offeror(s) has been finalized.

11. Protest Deadline

The protest period for responsive Offerors shall begin on the day following the contract award and will end at 9:00 a.m. MDT on June 7, 2019. Protest must be written and must include the name and address of the protestor. It must also contain a statement of grounds for protest including appropriate supporting exhibits, and it must specify the ruling requested from the Procurement Manager. The protest must be delivered to the Procurement Manager at the address as listed in Section I, Paragraph E. Protests received after the deadline will not be accepted.

C. GENERAL REQUIREMENTS

This Procurement will be conducted in accordance with the AOC's Guidelines Governing Procurement.

1. Acceptance of Conditions Governing the Procurement

Offerors must indicate their acceptance of the Conditions Governing the Procurement section in the letter of transmittal. Submission of a proposal constitutes acceptance of the Evaluation Factors contained in Section V of this RFP.

2. Incurring Costs

Any cost incurred by Offerors in preparation, transmittal, and presentation of any proposal or material submitted in response to this RFP shall be borne solely by the Offeror.

3. Amended Proposals

Offerors may submit an amended proposal before the deadline for receipt of proposals. Such amended proposals must be complete replacements for a previously submitted proposal and must be clearly identified as such in the transmittal letter. The AOC personnel will not merge, collate, or assemble proposal materials.

4. Amendments to the RFP

If amendments to the RFP are issued, it will be posted on the NM Courts Website (www.nmcourts.gov). If amendment content to RFP is needed that affect price or technical content, an amendment will be issued no later than one (1) week before the due date for proposal submissions.

5. Offeror's Right to Withdraw Proposal

Offerors will be allowed to withdraw their proposals at any time prior to the deadline for receipt of proposals. The Offeror must submit a written withdrawal request signed by the Offeror's duly authorized representative addressed to the Procurement Manager. The approval or denial of withdrawal requests received after the deadline for receipt of the proposals is governed by the applicable procurement regulation.

6. Proposal Offer Firm

Responses to this RFP will be considered firm for one hundred twenty (120) days after the due date for receipt of proposals or ninety (90) days after the due date for the receipt of a best and final offer, if the Offeror is invited or required to submit one.

7. Disclosure of Proposal Contents

The proposals will be kept confidential until a contract is awarded. At that time, all proposals and documents pertaining to the proposals will be open to the public, except for the material that is proprietary or confidential. The Procurement Manager will not disclose or make public any pages of a proposal that the Offeror has stamped or imprinted "proprietary" or "confidential" subject to the following requirements:

- Proprietary or confidential data shall be readily separable from the proposal in order to facilitate eventual public inspection of the non-confidential portion of the proposal. Confidential data is normally restricted to confidential financial information concerning the Offeror's organization and data that qualifies as a trade secret in accordance with the Uniform Trade Secrets Act, 57-3-A-1 to 57-3A-7, NMSA 1978.
- If a request is received for disclosure of data for which an Offeror has made a written request for confidentiality, the Procurement Manager shall examine the Offeror's request and make a written determination that specifies which portions of the proposal should be disclosed. Unless the Offeror takes legal action to prevent the disclosure, the proposal will be so disclosed. The proposal shall be open to public inspection subject to any continuing prohibition on the disclosure of confidential data.

8. No Obligation

This procurement in no manner obligates the Judicial District or the AOC to the services offered until a valid written contract is approved by the AOC and Court.

9. Termination

This RFP may be canceled at any time up to and including the deadline for submitting protests. Any and all proposals may be rejected in whole or in part when the AOC determines such action to be in the best interests of the AOC and the State of New Mexico.

10. Sufficient Appropriations

Any contract awarded as a result of this RFP process may be terminated if sufficient appropriations or authorizations do not exist. Such termination will be effected by sending written notice to the contractor. The AOC's decision as to whether sufficient appropriations and authorizations are available will be accepted by the Offeror as final.

11. Legal Review

The AOC requires that all Offerors agree to be bound by the General Requirements contained in the RFP. Any Offeror concerns must be promptly brought to the attention of the Procurement Manager.

12. Governing Law

This procurement and any agreement with Offerors that may result shall be governed by the laws of the State of New Mexico.

13. Basis for Proposal

Only information supplied by the AOC in writing through the Procurement Manager or in this RFP should be used as the basis for the preparation of Offeror proposals.

14. Contract Terms and Conditions

The contract between the AOC, the Judicial District, and the Offeror(s) will follow the format specified by the AOC and contain the terms and conditions set forth in Attachment C, "Contract Terms and Conditions." However, the AOC reserves the right to negotiate provisions with a successful Offeror in addition to those contained in this RFP. The contents of this RFP, as revised or supplemented, and the successful proposal(s) of the Offeror(s) will be incorporated into the contract.

Should an Offeror object to any of the AOC's terms and conditions as contained in this Section or in Attachment C, that Offeror must propose specific alternative language that would be acceptable to the Judicial District and the AOC. General references to the Offeror's terms and conditions or attempts at complete substitutions are not acceptable to the AOC and will result in disqualification of the Offeror's proposal.

An Offeror must provide a brief discussion of the purpose and impact, if any, of each proposed change followed by the specific proposed alternate wording.

All contracts for professional services are subject to the review and approval by the AOC.

15. Offeror's Terms and Conditions

Offerors must submit with the proposal a complete set of any additional terms and conditions that they expect to have included in a contract negotiated with the AOC.

16. Contract Deviations

Any additional terms and conditions that may be the subject of negotiation will be discussed only by the Judicial District, the AOC, and the selected individual Offeror and will not be deemed an opportunity to amend the Offeror's proposal.

17. Offeror Qualifications

The Evaluation Committee may make such investigations as necessary to determine the ability of the Offeror to adhere to the requirements specified within this RFP. The Evaluation Committee will reject the proposal of any Offeror who is not a responsible Offeror or fails to submit a responsive offer as defined in Sections 13-1-83 and 13-1-85, NMSA 1978.

18. Right to Waive

The Evaluation Committee reserves the right to waive minor irregularities. The Evaluation Committee also reserves the right to waive mandatory requirements provided that all of the otherwise responsive proposals failed to meet the same mandatory requirements and the failure to do so does not otherwise materially affect the procurement. The right to waive minor irregularities and mandatory requirements is at the sole discretion of the Evaluation Committee.

19. Change in Contractor Representatives

The AOC reserves the right to require a change in Contractor representatives if the assigned representatives are not, in the opinion of the AOC, representing the contractor or meeting AOC's needs appropriately.

20. Notice of Civil and Criminal Penalties

The Procurement Code, Sections 13-1-1 to 13-1-199, NMSA 1978, imposes civil and misdemeanor criminal penalties for its violation. In addition, the New Mexico criminal statutes impose felony penalties for bribes, gratuities and kickbacks.

21. AOC Rights

The AOC reserves the right to accept all or a portion of an Offeror's proposal.

22. Right to Publish

Throughout the duration of this procurement process and contract term, any potential Offeror(s) and contractor(s) must secure from the AOC written approval prior to the release of any information that pertains to the potential work or activities covered by this procurement or the subsequent contract. Failure to adhere to this requirement may result in disqualification of an Offeror's proposal or termination of the contract.

23. Ownership of Proposals

All documents submitted in response to this RFP will become the property of the AOC and the State of New Mexico.

24. Electronic Mail Address Required

A large part of the communication regarding this procurement will be conducted by electronic mail (e-mail). Offeror(s) must provide a valid e-mail address in order to receive this correspondence. Any subsequent change in an Offeror's e-mail address should be communicated to the Procurement Manager immediately.

25. Use of Electronic Versions of this RFP

This RFP is being made available by electronic means. If accepted by such means, the Offeror acknowledges and accepts full responsibility to ensure that no changes are made to the RFP. In the event of conflict between a version of the RFP in the Offeror's possession and the version maintained by the AOC, the version maintained by the AOC shall govern.

SAFE EXCHANGE & SUPERVISED VISITATION
PARENT FEE STANDARD OPERATING PROCEDURES for
PROVIDERS*
(To be assessed after SESV referral is ordered.)

1. Submit a completed Safe Exchange & Supervised Visitation (SESV) Income Determination and Fee Assessment Form (IDFA) to your program's contracted court for each party receiving SESV services.
2. Verify that the information for the party is complete including: the party name, number of minor children, income section, fee assessment section and that the party has signed the statement. If parties refuse to provide proof of income the full fee should be assessed without reduction.
3. File the IDFA with your contracted court, maintain a copy for the internal SESV casefile and issue the party a hardcopy. Fax filing is recommended; work with your court to determine the preferred filing method.
4. Providers must verify, collect and keep on file copies of all supporting financial documentation used to verify party income. All documents collected will be indicated and verified via provider staff signature on the Income Determination and Fee Assessment Form.
5. Using the approved sliding fee scale for SESV and the income information completed on the statement, determine the amount to be charged for intake and all court ordered services related to SESV to be paid by the party. Allow the party to determine a payment frequency. Advise the party of the amount owed, the forms of payment accepted and where to submit payment.
6. Establish a secured email for direct court transmission of SESV payment receipts and reports. Once established with the court the email address cannot be changed.
7. To Assess the Fees:
 - Use the contracted court's SESV sliding fee scale to establish the party's defined income level for application of rate reduction. If the party's income exceeds the maximum income defined on the sliding fee scale the full rate should be assessed.
 - If applicable, use the SESV sliding fee scale to determine the party's Intake Fee. If an Intake Fee is not established on the court's sliding fee scale the provider cannot assess the fee and it cannot be collected.
 - Follow the court order to determine any applicable recurring Other Fees that may apply. This option pertains only to fees listed on the court's SESV sliding fee scale. Parties cannot be charged fees for services related to SESV that are not on the approved scale.
 - Follow the court order to determine the number of hours of service required per week. Use the court's SESV sliding fee scale to determine the Service Fee Rate according to the hours ordered by the court.

- Calculate the total Recurring SESV Fee according to the party's selected frequency for payments i.e. hours per week, hours every two weeks or monthly hours billed. Include the total of any recurring Other Fees with this amount as well.
 - Calculate the total of the sum of the Intake Fee and Recurring SESV Fee. Enter this total in the First Fee Collected box under For Clerk's Office section.
 - Indicate the amount of the Recurring SESV Fee amount in the box under For Clerk's Office section. This is the amount of the regular SESV payment the party will routinely pay the court to continue services moving forward.
8. Parties cannot change an established Recurring SESV Fee once the IDFA form has been submitted without a corresponding court order amending service provision or concrete documentation demonstrating change in income determination. Reassess fees and file an Amended Income Determination and Fee Assessment Form with the court when either condition is demonstrated.
9. Fees for services can only be assessed if they are established on the court's sliding fee scale.
10. Providers will maintain an internal financial tracking system to track all fees collected in relations to corresponding party and case number.

11. Receiving fee payments:

- The court will record fees collected and issue receipts for parties.

 13. All fee payments will be recorded with credits for any prepaid services tracked per party. No refunds will be issued to parties. Should there be a break in services any prepaid credits shall be preserved for future use in the event of reinstatement of services. Providers have the option to reduce prepaid credits in the event of any no call/no show cancellations as long as it is pre-established in the provider policy and procedures as defined in the New Mexico Court Standards for Safe Exchange & Supervised Visitation.
 14. Be sure each payment receipt received from the court has the related court SESV fund name indicated with the correct payment amount.
 15. Internally reconcile court issued receipts with the tracking report received from the court each month.
 16. Record monthly court disbursements received in the online SESV data base. Submit Quarterly Parent Fee Reports to the Administrative Office of the Courts and court according to the SESV contract requirements.
